

NJ Climate Adaptation Alliance

New Jersey Climate Adaptation Alliance Advisory Committee *Summary of March 21, 2014 Committee Meeting*

The Advisory Committee of the New Jersey Climate Adaptation Alliance held a committee meeting at 4:00PM on March 21, 2014 in room 261 at the Bloustein School. The meeting focused on the presentation and content of current key principles, goals, and recommendations.

Introductions: The Committee members introduced themselves and their affiliations.

Updates from the advisory members: Members of the Committee provided information about projects, grants, and policy

Discussion of Alliance operations: The Committee discussed the logistics of forming a steering committee consisting of a chair and representatives from each of the sectors.

Ongoing activities: The Committee reviewed progress on the NJCAA work plan. Mapping platforms were discussed.

Discussion of public policy recommendations: The Committee discussed the content and framework of key principles, goals, and recommendations.

Moving forward: Committee members discussed the formation of subcommittees to address organization of the recommendations.

The next Alliance Advisory Committee Meeting is Thursday, June 19, 2014
