

## NJ Climate Adaptation Alliance

### **New Jersey Climate Adaptation Alliance** Advisory Committee Quarterly Meeting Minutes *September 19, 2014*

The Advisory Committee of the New Jersey Climate Adaptation Alliance held its quarterly meeting at the Cook Campus Center at Rutgers University in New Brunswick on September 19, 2013. The meeting focused on next steps related to implementation of the policy recommendations.

**New Members & Co-Chairs:** The Committee welcomed David Kinsey of Kinsey and Hand, and Robert Laumbach of Rutgers Medical School.

**Report Out:** The Facilitators and Committee members provided a report out on their activities over the past quarter.

**Operational Issues:** The Committee discussed a procedure for how ad hoc working groups would be formed and develop reports.

**Future Directions:** The Committee discussed potential areas of focus over the coming months for addressing policy recommendations. Members will provide additional feedback to the facilitators who will develop amendments to the workplan.
